

Azurra Bay

Azurra Bay stone is a stunning quartzite that makes for an excellent choice for kitchen and bathroom countertops. With its grayish white color and striking veins, it adds an elegant touch to any space. Quarried from Brazil, this durable and low-maintenance stone is a popular choice for both residential and commercial projects.

Finish / Color	Polished / Blue, White
Origin Country	Brazil

Azurra Bay

The unique veining of Azurra Bay is a result of natural mineral deposits and geological processes, making each slab one-of-a-kind. Its resistance to heat, scratches, and staining, coupled with its beauty, makes it a sought-after material in interior design.

Stone Type	Quartzite
Finish / Color	Polished / Blue, White
Origin Country	Brazil
